Philip Wyers, President

EST. 1987

"Committed to Providing the Highest Quality Solutions for ALL Our Customers' Security Needs."

TRIMAX is a registered trademark of Wyers Products Group, Inc, which was established in 1987, and is centrally located in Englewood, Colorado. **TRIMAX** remains committed to providing innovative solutions to our customers' security needs in the automotive and sports accessory markets.

Through value added **in-house engineering**, **TRIMAX** prides itself on industry-leading patented designs that hold up to the highest quality standards. All products have been rigorously tested before entering the world market.

CUSTOMER SUPPORT

TRIMAX stands behind every product it manufactures to assure customer satisfaction. We offer quality products supported by a professional staff trained to answer your questions and process your order in a time-sensitive manner.

Customer service is #1.

TRIMAX™

PATENTED DESIGNS

All our operatives have a working knowledge of the patented products we provide and are happy to give the support required to keep our customers confident in our business relationship.

TRIMAX is dedicated to supplying our customers the highest quality products, attractively packaged and manufactured in our own Colorado facility or around the world.
